II. Treasurer's Report – Wayne Thayer

- Our fiscal YTD is looking good at 98% with additional fundraisers still TK.
- We are still waiting on \$\$ amounts from our PDQ fundraiser.
- Student payments are still trickling in. Currently, only 70% of winter percussion students have paid. **Wayne will email those with missing payments. Carlton will contact families who still need to pay fall's Marching band payments.**
- We have agreed to continue with Charity Mania this Spring.

III. Winter Percussion

- Carlton secured sponsors for this year's floor.
- Props are close to completion. The wells are closer to being done; trees and risers are in the works.
- There have been issues with scheduling and keeping the middle school students past 9:00 pm. Carlton is discussing scheduling issues with Craig.
- We will address missing student payments in the weekly email. **(To do in 2/18 email if still needed. Michelle to check with Wayne.)**
- It was discussed to possibly change the date of Community Night #1, since it fell on Valentine's Day **(Note: It was voted to keep on 2/14.)**
- **Carlton to follow-up with Bev Abbott to see how things are going on the Chick-Fil-A dine out she is supposed to be setting up.**

IV. AMEA 6/7/8 All-State – March 15-16

- Bev provided the lunch form for Chick-Fil-A to Mr. Simon for him to pass to band directors to allow the students to preorder a lunch.
- We will need volunteers that day to help pass out lunches.
- This falls on the same day as a winter percussion competition. We will need to find volunteers to help sell concessions; otherwise we will only focus on lunches.

V. Casino Night – April 6th

- The next planning meeting is February 19th. This event is at risk if we do not secure additional volunteers.
- John Chichester agreed to help by finding a table sponsor. We need 6 table sponsors in total to support the cost.
- Basket preparations have begun. We need more donations.

VI. Board Elections

- Carlton Hawkins remains as president, Valeri O-Connell will remain vice president, and Wayne Thayer will continue as treasurer.
- **There were no nominations for secretary, so we will continue to ask for volunteers.**
- **Shellie Cooper will remain as board advisor.** We need some committee heads, including Dine-Out, Future Matador Night, Water Crew/Competition Meals, and Wardrobe Co-chair.

XIV. Next Booster meeting is March t 6th at 7:00 pm. Meeting was adjourned at 7:40 pm.
