

Picture Day- MONDAY, AUGUST 14 at 4:30 p.m.

We are pleased to welcome back Anjeanette from Phoenix Artistic Portrait Photography. She has provided high-quality photography services to the band for many years.

SENIOR PORTRAITS will be taken first, starting at 4:30. These will be made into the big senior posters that are displayed at football games.

After the seniors are photographed, ALL BAND MEMBERS WILL HAVE INDIVIDUAL PORTRAITS TAKEN in full uniform starting at approximately 4:50.

The group picture this year will be a composite of the individual portraits, which is why we need everyone to be photographed, regardless of whether or not you want an individual portrait. This group picture is for the yearbook and will also be available to everyone.

After individual portraits, section pictures will be taken, along with any other groups until we are finished. Groups, including sections, are coordinated at the discretion of the students, so students will need to communicate with their sections if a section picture is wanted.

You will not need to send in order forms or payments on picture day.

Seniors- come at 4:15 to finalize uniforms and get out instruments.
8th through 11th graders- come at 4:30 to get into uniform.
Students who have not been fitted for a uniform yet- come at 4:15.

Band parents will be present to assist with uniform issues and logistics. Marching shoes will be available to borrow for the pictures.

Boosters will serve pizza starting at 5:15 for those who are done with pictures and out of uniform. Regular rehearsal to follow at 6.
